CHENIN BLANC 100%

VINEYARDS

-Location: Agrelo, Luján de Cuyo, Mendoza.
-Clonal Selection: Chenin, Luján de Cuyo.
-Terroir: Agrelo, at 1,050 meters above sea level. Deep sandy loam soils.
-Yield: 6,000 Kilograms per hectare.

HARVEST

-Harvest time: 3rd week in March 2020.
-Climatic characteristics: In general the sprouting took place on the scheduled dates, it was quite homogeneous and the sprouts developed with good vigor. Spring was fresh, and there was only some frost damage in very low areas where there was also Coulure, and decreased production increased by some rains in flowering. The summer was warm, but the thermal amplitude was very high, almost 3ºC more than usual, which explains the intense color, the thick skins, well-present tannins, a lot of fresh fruit intensity, and good acidity in the wines. The 2020 harvest will be remembered for its outstanding quality.

WINEMAKING

-Grapes are cooled down on arrival at the winery.
-Whole bunch clusters are lightly pressed in a pneumatic press.
-Fermentation: 80% of the must is fermented in stainless steel tanks, and the remaining 20% is fermented in new French oak barrels for 6 months.
-Blended, filtered and later bottled in March 2021.

TASTING NOTES

-Color: Pale golden yellow, greenish at the rim.
-Nose: Fresh, elegant and intense. This wine delivers floral aromas and fresh white fruit scents of apricot and peach enhanced by honey undertones. It features a balanced combination of dry fruit and delicate coconut, tea and caramel aromas which produce a distinguished and complex white wine.
-Palate: A gentle attack ushers harmonious refreshing acidity and aromatic complexity. The aftertaste perfumes follow through the delicate aromas on the nose while evoking citrus and nutty hints. An elegant wine with a lingering finish.
