CHENIN BLANC . 2023

MENDOZA - ARGENTINA

WHEN LIFE BEAT US, LOSERS LOSE,
OPTIMISTS LEARN AND ANALYSE, DECIDE TO PLAY
A REMATCH WITH A NEW STRATEGY,
SEARCHING FOR NEW HORIZONS BECAUSE WE'RE INSPIRED BY CHALLENGE
AND THE PASSION FOR STARTING OVER, THIS GREAT WINE,
GROWN ON THE BEST PIECES OF MENDOZA LAND,
INVITES US TO DISCOVER A NEW WAY TO SEE LIFE.

2 de la Mota

CHENIN BLANC 100%

VINEYARDS

-Location: Agrelo, Luján de Cuyo, Mendoza.
-Clonal Selection: Chenin, Luján de Cuyo.
-Terroir: Agrelo, at 1,050 meters above sea level. Deep sandy loam soils.
-Yield: 6,000 Kilograms per hectare.

HARVEST

-Harvest time: Last week in February 2023.
-Climatic characteristics: The late frost that occurred at the end of October and the beginning of November had serious consequences on the production, making the 2023 harvest the lowest in over 20 years. Despite these phenomena, the nobility of the vine allowed us to produce good wines, both white, rosé, and red. The summer, in general, was very dry with high temperatures in December and January, the months of February and March were slightly cooler, and the grapes continued, in general, with a good balance of acidity and sugar accumulation. The wines produced in this vintage are very interesting and intensely fruity. All these characteristics ensure good ageing potential.

WINEMAKING

-Grapes are cooled down on arrival at the winery.
-Whole bunch clusters are lightly pressed in a pneumatic press.
-Fermentation: 80% of the must is fermented in stainless steel tanks, and the remaining 20% is fermented in new French oak barrels for 6 months.
-Blended, filtered and later bottled in October 2023.

TASTING NOTES

-Color: Pale golden yellow, greenish at the rim.
-Nose: Fresh, elegant and intense. This wine delivers floral aromas and fresh white fruit scents of apricot and peach enhanced by honey undertones. It features a balanced combination of dry fruit and delicate coconut, tea and caramel aromas which produce a distinguished and complex white wine.
-Palate: A gentle attack ushers harmonious refreshing acidity and aromatic complexity. The aftertaste perfumes follow through the delicate aromas on the nose while evoking citrus and nutty hints. An elegant wine with a lingering finish.

Alcohol: 13.9%
Serving temperature: Between 11ºC and 13 ºC.
Volume: 750 ml.
Peak drinking: Best if consumed between 2023 and 2033.
Production limited to 3,300 bottles.
